

## INSTRUCTIONS FOR MOST IMPROVED BOWLER SELECTION AND TOURNAMENT JACKET/SHIRT AWARDS

### Most Improved Award Criteria

1. Adult awards will be based on winter leagues averages in this association and a minimum of 60 games for each league. Youth award will be calculated on a minimum of 40 games due to their shorter season.
2. The Award will be based on the current season's composite average compared to the previous season's composite average.
3. An adult bowler must have bowled in two leagues and at least one of our association tournaments. The Most Improved youth bowler is not required to bowl in two leagues but must have entered one of the youth tournaments during the past two years.
4. Most improved adult and youth bowlers will have their name, number of pins improved and bowling year accomplished inscribed on a plates. These plates are mounted on Youth and Adult plaques on view in the AMF Dale City and AMF Fredericksburg. (Cannon Ball lanes is not included at this time as they do have a youth league and only 2 adult leagues. The winner will also receive a small individual award to keep.
5. One winner per year in each category (adult and youth). There will be no distinction between men and women. For the youth, there will be no distinction between boys, girls or age group.

### Association Tournaments Jackets or Shirts:

The Awards Committee will select one style of jacket or shirt for men, women and youth which will be awarded to the handicap team winners of the Senior, Open, Mixed, Youth and Women's Tournaments (if funds are available). Color may vary. Shirt or jackets will have the Association Logo, Tournament and event participated in stitched on the left side of the garment. The bowlers name or nickname will be stitched on the right side of the garment but is not required. In all cases, space requirements may apply to stitching.
