

Lottie Gorham for Bowling Achievement

I started bowling in 1985 on my 1st league in northern Va. I moved to Fredericksburg and joined a Sun night league at Princess Anne bowling center. When they opened AMF Fredericksburg I joined a league for fun, but soon got hooked. Started going to tournaments with new friends and soon it was more leagues and tournaments. I served on Board of Directors of FAWBA – the Fredericksburg Area Women’s Bowling Association and became a vice president before they were merged into the newly chartered Greater Fredericksburg USBC association. I am now on the GFUSBC Board of Directors. I very much love the sport and the many friends that I have made.
