

## **Dan Lorenz**

### **For Meritorious Service**

Dan's honesty and integrity defines the quality service he has provided to the bowling community over the past 40 years.

He began bowling in 1980 at the Walter Reed Army Medical Center in Silver Spring, Maryland. In 1987, he started a league at the Army Kaserne in Germany and was President of that league for the first two years. After moving back to Virginia, Dan became the Secretary/Treasurer for the Men's League at Bowl America in Woodbridge in 2001. He later became the Secretary/Treasurer for the Friday Night Mixers in Stafford.

During this time, Dan has bowled four 300 games and four Eleven in a Row games. He enjoys the camaraderie and friendships formed with league bowlers. For the past 15 years, he has coached for the Special Guys League at AMF Dale City on Saturdays and is currently a Youth Director for GFUSBCA. Dan revels in the opportunity to meet great people during bowling and admires how the Association goes out of its way to take care of its members.

Throughout his career, Dan has served as President, Secretary and Treasurer of many leagues while continuing to bowl to the present day. He is currently Secretary/Treasurer for Dale City's Tuesday Night Mixed League and Friday Night Mixers League.
