Eye Glasses needed for Haiti.

Shelley Surfer's sister is going on a missionary trip to Haiti in a couple of months to provide eye care exams.

Last year, she was sent with several pair of eye glasses and they are asking for our help again this year. They are collecting reading glasses, prescription glasses, and even plain sunglasses for donation.

If you have any glasses you would like to donate, please leave them in the collection box at the front counter of AMF and Liberty Center.

Thank you for your donations!

Changes to Sport Bowling program

The Sport Bowling program will undergo several changes for the 2015-2016 season, which starts Aug. 1, to encourage more bowlers and leagues to take advantage of competing on challenging lane conditions and to improve certified tournament average integrity.

Starting with the 2015-2016 season, leagues that want to compete on Sport Bowling conditions will designate as a Sport/Challenge league on the league application form; bowlers competing in the league will have a corresponding icon next to their average for that league. Leagues choosing to compete on Sport lane patterns now will have the opportunity to report as a Sport/Challenge league without submitting lane tapes or requiring bowlers to purchase membership upgrades. The USBC Sport membership, including the awards program, will be discontinued as bowlers no longer will need to purchase a membership upgrade to compete in Sport leagues.

The Sport Bowling page of BOWL.com will re-launch July 1 with complete information and reference materials for bowlers, league secretaries and proprietors. The page will have Sport Bowling patterns, video tips on how to play certain Sport patterns, ideas for league formats and more information to help start and run a Sport Bowling league.

To summarize, Bowlers in sport leagues will no longer have to pay the extra \$15.00 for the sport card. Centers will no longer have to submit lane tapes (a time consuming process) and the awards will be the same as the regular house shot awards.
