# YOUTH ENRICHMENT FUND

A Youth Enrichment Fund has been established that will assist families in need with their children(s) financial responsibilities. This would include, but not limited to, weekly bowling fees, equipment, tournament entry fees, etc.

All monies donated to this fund will be maintained in the Greater Fredericksburg USBCA bank account and tracked separately from all other committees. Unused funds will roll over from year to year.

Youth league officials will submit recommendations in writing to the Community Service Committee for evaluation and approval.

We are asking all League Secretaries to assist the Association in promoting this program. Donations can be made by individuals or from league 50/50 profits.

With over \_\_\_\_\_ youths that participate regularly in our Youth Leagues, your generous donation will enable a deserving youth the opportunity to attend regularly and without any undue stress.

## Hall of Fame Inductees

### Lottie Gorham for Bowling Achievement

I started bowling in 1985 on my 1st league in northern Va. I moved to Fredericksburg and joined a Sun night league at Princess Anne bowling center. When they opened AMF I joined a league for fun, but soon got hooked. Started going to tournaments with new friends and soon it was more leagues and tournaments. I served on FAWBA – the Fredericksburg Area Women’s Bowling Association, and became vice president before they were merged to the new created the merged USBC. I now am a Director in the GFUSBC. I very much love the sport and the many friends that I have made.

### Larry Roath for Meritorious Service

I am surprised and very honored to be chosen to the Greater Fredericksburg USBCA’s Hall of Fame for Meritorious Services. Others also serve our Association and I believe all need recognition of some sort. However, since I have received the distinct and honorable recognition let me tell you a little about my bowling career and what drives me to work for this Association, the sport of bowling and the people who participate.

I first bowled when I was 19 years old in Ashland, Oregon. Went with a friend just to go. The center was small with no score keeper or mechanical ball returns. Kids my age set pins and returned your bowling ball. We kept our own scores and no cartoons. My first league was in Klamath Falls, Oregon. Averaged about 150 but the seed was planted and I have been bowling ever since. I have no formal training as a bowler, in fact, I learned what the dots and arrows meant from a bowling buddy while I was in the Army in the early 60’s. Needless to say, I have seen the evolution of bowling in all respects. I learned it is a fantastic sport. There is a place for anyone regardless of their physical condition, age or ability. A bowler can be part of a game that will provide comradery, joy, anger and competition. A sport with something for everyone. When I was given a chance to help grow and support bowling in Fredericksburg thru the local Association, how could I not be part of it. Therefore, throughout the life of our Association, I have worked as a board member, spent a lot of time with committees, written and distributed its newsletter, worked tournaments and wrote operating instructions. I currently inspect lanes and work on the Awards committee which includes distributing awards and keeping the records necessary for our Center Honor Boards. I designed the Honor Boards, built them and continue to keep the listings current. I am very pleased our current LOGO is my design.

We are fortunate that in 2005, a few fine people headed by Bobby Phillips and Deborah Johnson led the effort to form our GFUSBCA and separate our operation from the Washington Association. Maybe you can find a way to help our current Association make bowling better for us all.
